

PATRIOT®

Fully Framed TA-50 Locker - **WELDED**

Penco's TA-50 locker is government and military inspired. Available in KD or Welded construction, this heavy-duty locker is designed to offer a superior level of security and durability while providing efficient storage for bulky military-grade gear.

Flattened Expanded Metal

Solid Sides optional

Full Width Shelf

Louvered Doors, 14 gauge

Diamond Perfs or Solid options available

Coat Rod with Hooks
1" diameter

Ultra
Cremone
Recessed
Handle

- True fully framed construction offers better rigidity
- 4 or 6 inch high Channel Base available
- 36, 42, 48 inch widths available
- Ultra-Cremone Recessed Handle for a safer, cleaner look and less freight damage

- Compatibility of accessories across all product lines built on the platform
- Ease and of quoting and ordering custom configurations
- Expanded metal steel sides allow for full ventilation
- Solid doors maximize strength and rigidity
- Rigid frame design does not require large frame members at top and bottom of locker resulting in more storage space inside the locker

Fully Framed TA-50 Locker - **WELDED**
